## 2026 Payroll Schedule IRIS

### Timesheet Submission Guidelines

#### **Did you use the GT App to submit EVV shifts?**

Many programs now require EVV, and it's easy to follow EVV rules with the GT App. Be sure to clock in when starting a shift and clock out when ending it. Your employer can approve the time on your device or from their GT Portal account.

#### **Did you send your time in on time?**

You can log shifts in the GT App 24 hours a day, 7 days a week, and on holidays. Please check the payroll schedule to ensure your employer approves your timesheet on time.

Time for each shift cannot be submitted before all of the hours are worked. Late time submissions will be paid on the following pay period and are subject to denial due to timely filing deadlines.

#### **Have you included all of the time worked for this payroll period?**

#### **Did you work all of the hours you submitted?**

It is fraudulent to report hours you did not work. You cannot report hours while the member you are providing services for is hospitalized or in a medical facility (i.e. nursing home, rehab).

#### **Did you include the correct service code for each day worked?**

If you are unsure about which service code you should be using, please speak with your employer or contact Customer Service at 1.877.659.4500.

#### **Did you report more hours than authorized?**

Your payment may be delayed if you report more hours than you were approved to provide.

#### **Did you fully complete each section of the timesheet?**

You may not draw lines, arrows, or use ditto marks to complete sections of a paper timesheet. Each section must be filled out completely even if the information is the same. If you make a mistake, correct it by drawing a single line through it. Both the employer and employee should date and initial the correction.

#### **If you needed to resubmit a paper timesheet, did you write "REFAX" at the top?**

If your submission requires a refax or resubmission your payment will be delayed.

*GT Independence sends out paychecks for your employer based on this schedule. If your approved time is turned in correctly and on time, we will send your pay on the date listed. When the money shows up in your bank account depends on your bank. Some banks have "early pay" options, but those are run through the bank, not by us or your employer. We don't control or promise when your bank will make your money available.*
